and "signed papers" at C.B. Tomaine Insurance Company; also filled out papers at the AAA; went to C.A.H.S. and assured Paul Kaczmarik that I would be able to substitute for Mrs. Grogans on Thursday (as planned); returned to Elkdale and "re-grouped"; all I could think was: "I could easily be dead now. This is borrowed time." I plunged headlong -- and with zeal -- into my genealogical and historical work. "Karatorga, Karatorga." -- don't waste a minute -- life is very short -- we all have very little time to do what has to be done. And then I slept.

Spent about 6 hours going through all of the Sheffield Publications' files and also all of the Northeastern Pennsylvania files; threw out a fairly substantial quantity of un-necessary-to-keep documents; very satisfying, and it took my mind off of my automobile accident anxiety.

Dear Mr. Powell,

The bill you sent in to us for reimbursement is from an AAA garage. When you had this service performed, did you sign a Motor Club Garage slip? If you did sign a slip, the garage will bill us for this call and that will take care of our portion of the bill. Therefore, there will be no further reimbursement to you.

If you have any further questions please do not hesitate to contact us.

Sincerely yours

AAA will not re-emburse  
me the \$15.00 (G & G work order - 3315);  
they don't reimburse when  
a winch is used. How utterly  
arbitrary & ridiculous.
